Jeremy –

Is it possible to get a copy of the draft Davis and Reiter paper?

Thanks

Peter

Peter, I'm checking with Mick Davis and Maryanne (main & co-author) of the one study to see if they're ok with us sending it along after it is submitted for publication. I'm reviewing the final draft this weekend, so I anticipate that it could be sent around soon. The other study hasn't really begun yet.

Have a good weekend,

jeremy

Thanks Terry –

Is there any chance to get a hold of the two “downstream” papers listed during today's presentation?

Alan, Teresa, and Peter,

It was good to meet with you folks today, and I appreciate your participation in the discussion. Attached are ODF publications (including pre-RipStream), and the link to the WRC coop is below. Please let me know if there's anything else I can do for you.
